

VECTRIX 2.5" Hard Drive Enclosure stands out from the crowd thanks to its features and beauty.

Its black aluminium brushed covers effectively draws away the heat, protecting your drive from overheating while the black rubber frame make it safer to carry and protects your hard drive from hits.

The included One Touch Backup function with included software make backup operation fast and easy for everyone.

TACENS VECTRIX is a high performance, lightweight, and durable portable storage solution and lets you store your personal data in an enclosure with style!
